Want to Say Thank You to Your Nurse?
Share Your Story!

The DAISY (Diseases Attacking the Immune SYstem) Award is an ongoing, international recognition program that honors and celebrates the skillful, compassionate care nurses provide every day. The DAISY Foundation was established by the family of J. Patrick Barnes after he died from complications of the auto-immune disease ITP in 1999. During his hospitalization, they deeply appreciated the care and compassion shown to Patrick and his entire family. When he died, they felt compelled to say “thank you” to nurses in a very public way. Please say thank you by sharing your story of how a nurse made a difference you will never forget!

I would like to nominate ____________________ from the ____________________ unit/department as a deserving recipient of The DAISY Award. This nurse’s clinical skill and especially her/his compassionate care exemplify the kind of nurse that our patients, their families, and our staff recognize as an outstanding role model.

Please describe a specific situation or story that clearly demonstrates how this nurse made a meaningful difference in your care. There is more room on the back of this form if needed to continue your story.
